

Meals on Wheels.

For the past month, I have been delivering Meals on Wheels. I usually pick up the meals at 10:00 AM, deliver them to a list of people provided by the Senior Center, and then return to the Senior Center by 11:15 AM. I LOVE it!

I get to talk to people and learn a lot about the town. I love making contacts back at the Senior Center after it is over. I was thinking this past week about how great it would be if we had a team of people to deliver these once per month. If we had five people, they would only have to take one per day. During the summer, I would love for us to use our Youth. If you are interested, please sign up on the sign-up sheet. Thanks! (Pastor Eddie Duke)

Friendly Visits.

In line with this, is an opportunity for individuals to spend time with a senior adult at home in the late afternoon and early evening. Time spent can be talking and chatting, playing games, or just seeing if you could help with minor details that they may need. Again, I will probably use Youth that are interested for this during the summer time, but it would be great if I can get some people that might be interested in doing it now 2-3 times per month. If you are interested, please sign up on the sign-up sheet. Thanks! (Pastor Eddie Duke)
