"Let each of you look not only to his own interests, but also to the interests of others." PH.2:4

The Women's Community Care Group creates small, thoughtful gifts to remind people that they are seen, valued, and not forgotten. In a world where many feel overlooked, these gifts are a simple way to show care and encouragement. While the gift itself may be small, the goal is the moment of recognition it creates. Through these acts of kindness, we hope to reflect God's love and remind people that they matter. The Women's Community Care Group believes that even the smallest gesture can remind someone that they are important and worthy of being seen.
